KEYNOTE SPEAKER

NATHANIEL HENDREN
HARVARD UNIVERSITY PROFESSOR OF ECONOMICS
OPPORTUNITY INSIGHTS FOUNDING CO-DIRECTOR

Nathaniel Hendren will focus on upward mobility in Utah, what we know about policies that promote upward mobility, and the long-term impact the COVID-19 pandemic will have on upward mobility for low-income children in particular.

In 2019, Nathaniel was awarded the Presidential Early Career Award for Scientists and Engineers having been nominated by the National Science Foundation. In his ongoing work with Opportunity Insights, he seeks to develop scalable policy solutions that will empower families throughout the United States to rise out of poverty and achieve better life outcomes.
