COG Project Application Part I- Project Eligibility

Basic eligibility requirements established by State Law or set by the Cache County Council of Governments

6. Project Eligibility (required for all projects) *

Check all that apply.

My project has been classified as an arterial or collector road (see <http://arcg.is/XOnK0>)

7. Consistency with Regional Transportation Plan (RTP) *

Mark only one oval.

My project is located outside the CMPO planning area (see http://cachempo.org/?attachment_id=13)

My project is inside the CMPO planning area and is identified in one of the first three phases of the CMPO RTP (see <http://arcg.is/1XGeLD>)

My project is inside the CMPO planning area and while it has NOT been identified in one of the first three phases of the CMPO's RTP, it does meet the criteria for a "spot improvement" project (1. capped at \$200,000, 2. limited to Intersection or operational roadway improvement and/or a project that is primarily intended to correct a roadway safety issue)

COG Project Application Part I- Project Description

8. Project Characteristics

Mark only one oval per row.

Select all that apply

New road construction (or extension)	<input type="radio"/>
Road capacity project (adds travel lanes)	<input type="radio"/>
Road operational improvements (adds center turn lane or shoulder)	<input type="radio"/>
This is a Intersection improvement project	<input type="radio"/>
All project funds will go to advance purchase (construction out 10 years +) of road rights-of-ways	<input type="radio"/>
This is a roadway maintenance project	<input type="radio"/>

9. Project Road Name (also please identify section that will be improved) *

10. Please provide a brief description of the anticipated project improvements

Completed Part I

PLEASE CLICK THE SUBMIT BUTTON BELOW.
