INITIAL APPLICATION/PLAN REVIEW FINDINGS

Technical Review for CCCOG Applications: This review has been provided by the CMPO, County staff, and consulting engineers (CRS & JUB Engineers) to determine the eligibility and outline technical considerations for each project. All reviews are done to maintain compliance with the Local Transportation Funds Program Manual and best engineering and transportation practices.

Initial application/plan review determination: Project has minor deficiencies. Correct prior to CCCOG recommendation.

Initial other findings, observations and technical considerations:

- COG Executive Committee approval of any final relocation costs will be required (information item)
- Need clarification if the amount of Right-of-way is enough for improvements to the rail crossing that will likely be needed (crossing arms etch, signals etc).

REQUEST FOR ADDITIONAL INFORMATION REVIEW

Applicants were given an opportunity to provide additional information in response to the initial review findings.

Subsequent staff review determination: Project Appears to meet all COG requirements

- Information provided by applicant adequately responded to all substantial and minor issues identified (see attached applicant response memo and plan/documentation updates at http://cachempo.org/?page_id=1731).
