

Landscape Architect

FFKR Architects is currently considering highly talented and motivated Landscape Architect candidates to become a part of a creative and collaborative team. Candidates should be dedicated to design excellence and innovative ecological practices, from intimate landscapes to large scale urban development and master planning efforts, including commercial, municipal, park and recreation design in both the public and private sectors.

Qualifications:

- Bachelor's or Master's Degree in Landscape Architecture or comparable field from an accredited university
- Minimum 3 years of relevant experience
- Proficiency in AutoCAD with an understanding of Revit and BIM software
- Proficiency in SketchUP
- Proficiency with the Adobe Creative Suite
- Convincing graphic skills both by hand and computer
- Ability to construct and administer CAD drawings in accordance with office standards
- Construction document and detailing experience preferred
- Excellent oral and written communication skills
- Motivated, enthusiastic, self-starting
- Ability to adjust to dynamic project priorities
- Strong creative design and critical thinking abilities
- Passion for continued learning and professional growth
- Excellent time-management and organizational skills
- Detail oriented with the ability to self-edit work and command a high level of accuracy
- LEED accreditation is a plus

Responsibilities:

- Perform Landscape Architectural design and planning assignments at all levels of the design process, including conceptual design, schematic design, design development, preparation of construction documents & construction administration
- Work within architectural design teams to deliver an integrated design
- Provide design support for completion and execution of design projects

If you meet these qualifications and have an interest in the position, please send a letter of introduction, resume, and three samples of your work (in PDF format) to employment@ffkr.com. Enter "Landscape Architect Position" in the subject line.

FFKR Architects is an Equal Opportunity Employer.
