

CEDAR CITY EMPLOYMENT

An incomparable quality of life.

Quality of life is difficult to measure, but if clean air, spectacular scenery, and matchless recreational and cultural opportunities factor into the equation, then Cedar City scores way above average. Toss in friendly people, community pride and a vibrant college scene, and you will begin to understand what makes this such a special place.

Drive in any direction from Cedar City, and within minutes you're experiencing amazing natural wonders, from Kolob Canyons' massive

sandstone walls towering more than 3,000 feet high; amazing slot canyons, ancient Native American petroglyphs, Cedar Breaks' rainbow-hued amphitheater, alpine forests and the awesome view from 11,307 feet at Brian Head Peak.

Cedar City Corporation offers a friendly, and professional work atmosphere that provides first-class services to its citizens. Our staff is dedicated to building on

its rich heritage by being responsible stewards of community assets. The City staff and elected officials provide innovative, reliable, efficient, transparent, and courteous services as we fulfill our responsibilities with dignity and respect to our citizens, neighbors, and visitors.
