This KICKOFF SYMPOSIUM for the Utah Community Land Trust will provide detail of what a CLT is, how a CLT works, and the benefits to cities and neighborhoods. Gain an understanding of how the Utah Community Land Trust would work with your City and neighborhoods to build affordable homeowner and rental units, maintain long-term affordability, and monitor compliance and property maintenance.

This training will be led by Michael Brown. Mr. Brown, with Burlington Associates, is the leading nation-wide expert on CLT's with over 30 years of experience starting, managing, and consulting with CLT's.
